Davis GMC Buick is a proud sponsor for numerous organizations in southern Alberta. One small way we help out is by providing two trailer barbeques for non-profit events. These BBQ's are in high demand during the summer months and are available on a first come first serve basis. With this in mind please be prompt with your pick up and drop off times. Please read the general information below as well as the hook up and operating procedures for the BBQ's. Please fill in the attached form, print it out and bring it with you to pick up the BBQ.
