that excites

2015  
**XTERRA®**

**WELCOME TO THE 2015 NISSAN XTERRA® DIGITAL BROCHURE**

Full of images, feature stories, and all the specification and trim level information you need to help select your Xterra®.

WHAT IF\_

# HAPPINESS WAS MEASURED IN VERTICAL FEET?

It's time to get up. With a potent 261 horsepower and serious off-road capabilities, Nissan Xterra® is well-equipped for the climb. Bring the essentials with a roof rack so radically versatile, it's often imitated, but never equalled. Got mud? You've got a ventilated gear box on the roof and an Easy Clean® cargo area in the back that just wipes down.<sup>1</sup> And, no matter how far you go, NissanConnect<sup>SM</sup> with Mobile Apps puts entertainment and navigation right at hand.<sup>2</sup> 2015 Nissan Xterra®. Look up and never look back.

<sup>1</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>2</sup>Driving is serious business. Only use NissanConnect<sup>SM</sup> services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google<sup>®</sup> services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check [www.Nissan.ca/NissanConnect](http://www.Nissan.ca/NissanConnect) for details.

Nissan Xterra® PRO-4X® shown in Night Armour with optional equipment.

## BIG POWER FOR DEEP POWDER.

Finding a little solitude is good for the soul. And Xterra® PRO-4X® equipped with 4-Wheel Drive is up for the challenge. Not only is it packed with advanced technologies ready to conquer the trail, it's also equipped with hard-core 4x4 components. From a fully boxed ladder frame to a locking rear differential, Xterra® PRO-4X® goes where few dare follow.

**PRO-4X**®

**4.0** LITRE V6    **261** HP    **281** LB-FT OF TORQUE

No matter how you slice it, Xterra® is built to deliver. A potent 4.0-litre DOHC 24-valve V6 helps give you the power to climb faster and farther, while advanced friction-reducing technologies help keep it all moving smoothly. Continuously Variable Valve Timing helps deliver heightened efficiency and on-demand power, which is important when you're towing up to 5,000 lbs.<sup>1</sup> Mix it all with some serious attitude and you've got one tough machine. And more fun than a gondola will ever be.

Nissan Xterra® PRO-4X® shown in Solar Flare Yellow (late availability).

**Locking Rear Differential<sup>2</sup>** When 4-Wheel Drive just isn't enough, activate the available electronic locking rear differential. This technology delivers equal power to both rear wheels to boost traction and help keep your PRO-4X® moving forward. Helping you reach your destination even in the toughest trail conditions.

**Hill Start Assist<sup>3</sup>** Works on the uphill swing to help prevent rolling backward when you're starting from a stop on an incline. This available system applies the brakes for a few moments, allowing you time to switch from the brake pedal to the accelerator.

**Hill Descent Control<sup>3</sup>** What goes up must come down. PRO-4X®'s available hill descent control automatically adjusts your speed and brake pressure to help keep you going at a controlled speed, freeing you up to concentrate on navigating difficult off-road situations.

**Shift-on-the-fly.** Go where the wind – or whim – takes you, with a twist of a dial. Standard on all models, the highly capable Xterra® 4WD system features shift-on-the-fly 4-Wheel Drive with a 2-speed transfer case, so you can go from 2WD to 4H at speeds up to 100 km/h (62 mph).

<sup>1</sup>See Nissan Towing Guide and Owner's Manual for proper use. <sup>2</sup>PRO-4X® models only. <sup>3</sup>PRO-4X® models with automatic transmission only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

## MAN-HANDLE THE BIG STUFF.

The Utili-track® Cargo Channel System's cleats slide and lock into any position, giving you the means to accommodate just about any activity you can think of. Load it, lock it, start your adventure. Oversized hooks in the ceiling make securing your gear a cinch. And when you're done, clean up is quick with the Easy Clean® cargo area.

Nissan Xterra PRO-4X® shown in Graphite/Steel Cloth. U.S. model shown.

**Radically versatile in every way.** A roof rack starting with 6063-grade aluminum construction and up to 150-lb capacity. The gear box is ventilated for wet, dirty stuff, and removable to make way for larger items. Aerodynamic crossbars open up all kinds of possibilities. On PRO-4X®, off-road lights mounted right on the rack<sup>1</sup> cast a mighty beam every step of the way.

Hidden under-floor storage

**Squirrel away the small stuff.** A lesson from our bushy-tailed friends – every nook and cranny is a great place to store something. Xterra® makes great use of its interior, with a neat under-floor storage area that keeps valuables out of sight and grunge out of the way. Stretch mesh netting in the cargo area helps keep those little items from rolling around, but still easy to grab when you need them.<sup>1</sup>

<sup>1</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

U.S. model shown.

# NissanConnect<sup>SM</sup> YOUR WORLD, AT YOUR FINGERTIPS.

With NissanConnect<sup>SM</sup> with Mobile Apps, your Xterra<sup>®</sup> becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, Facebook<sup>®</sup> news feed, latest tweets, TripAdvisor<sup>®</sup> tips, and more all come along for the ride, working seamlessly together through Xterra<sup>®</sup>'s audio system. And it keeps on getting better: the basic app package is complimentary for the first three years.<sup>4</sup>

Your Nissan<sup>®</sup> Xterra<sup>®</sup> also keeps you in the loop with the Nissan Navigation System (featuring voice recognition),<sup>2</sup> hands-free text messaging,<sup>5</sup> Bluetooth<sup>®</sup> hands-free calling and streaming audio,<sup>3</sup> plus an iPod<sup>®</sup>/USB input.<sup>6</sup>

**RearView Monitor.** Whether negotiating a tight parking space or lining up to attach a trailer, Xterra<sup>®</sup>'s available RearView Monitor – included with the Nissan Navigation System – is like having an extra pair of eyes where you need them most.<sup>1,2</sup>

Nissan Xterra<sup>®</sup> PRO-4X<sup>®</sup> shown in Grey Leather. U.S. instrumentation shown.

Designed exclusively for the Xterra<sup>®</sup>'s interior, the available Rockford Fosgate<sup>®</sup> audio system features nine speakers and an enclosed subwoofer for massive sound.

Go far off the beaten path, but stay in touch just by pushing a button on the steering wheel. It's voice-activated, and lets you program in up to 40 numbers with easy access.<sup>3</sup>

<sup>1</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>2</sup>Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>3</sup>Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone Owner's Manual for details. Bluetooth<sup>®</sup> word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. <sup>4</sup>Driving is serious business. Only use NissanConnect<sup>SM</sup> services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google<sup>®</sup> services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. Standard text rates and/or data usage may apply. See retailer and check [www.Nissan.ca/NissanConnect](http://www.Nissan.ca/NissanConnect) for details. <sup>5</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. <sup>6</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod<sup>®</sup> is a registered trademark of Apple, Inc. ## NISSAN SAFETY SHIELD® PHILOSOPHY

# SURROUND YOURSELF WITH CONFIDENCE.

**6 Standard Airbags.** When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and airbag systems help protect passengers.<sup>1</sup>

**Tire Pressure Monitoring System.** With this feature, when your tire pressure is low, an icon illuminates on your dash to let you know.<sup>2</sup>

**What if** you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

**snug-kids®.** Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at [Nissan.ca/owners/en](http://Nissan.ca/owners/en).

**Vehicle Dynamic Control (VDC).** Also known as stability control, VDC monitors your steering and braking to help you maintain your steered path under certain conditions by reducing engine output and/or applying brake pressure to specific wheels.<sup>3</sup>

**Traction Control System (TCS).** When TCS senses drive-wheel spin, it responds by reducing throttle or applying brake pressure to help maintain traction.

**Electronic Brake force Distribution/Brake Assist.** EBD is designed to send extra force to the rear brakes when there's additional weight in the back. If you need to slam on the brakes, Brake Assist detects how hard you're braking, and if it senses you are in an emergency, it will automatically help to apply maximum braking force.<sup>4</sup>

## CHOOSE YOUR TRIM LEVEL

**S**

- 261 HP 4.0-litre DOHC 24-valve V6
- 4-Wheel Drive system with switch-operated 2-speed transfer case
- 16" 6-split spoke aluminum-alloy wheels
- Tubular step rails
- Tubular roof rack with covered gear box, crossbars and air dam
- Steering wheel-mounted audio controls
- AM/FM/CD audio system with 127 mm (5.0") colour display
- NissanConnect<sup>SM</sup> with Mobile Apps
- Bluetooth<sup>®</sup> Hands-Free Phone System
- SiriusXM<sup>®</sup> Satellite Radio<sup>5</sup>
- USB connection port for iPod<sup>®</sup> interface and other compatible devices
- Cruise control
- Power door locks and windows with remote keyless entry
- Easy Clean<sup>®</sup> cargo area with Utili-track<sup>®</sup> Cargo Channel System
- Four ceiling hooks and two cargo-area hooks
- Vehicle Dynamic Control (VDC)<sup>3</sup>
- Active Brake Limited Slip (ABLS)
- 4-wheel Anti-lock Braking System (ABS) with G-sensor
- Six standard airbags<sup>1</sup>

## **PRO-4X<sup>®</sup>** INCLUDES S EQUIPMENT PLUS:<sup>6</sup>

- Automatic on/off headlights
- Roof rack-mounted off-road lights
- Fog lights
- Bilstein<sup>®</sup> off-road performance shocks
- Skid plates (oil pan, fuel tank and transfer case)
- 16" 6-spoke machine-finished aluminum-alloy wheels
- P265/75R16 BFGoodrich<sup>®</sup> Rugged Trail T/A<sup>®</sup> OWL tires<sup>7</sup>
- Electronic locking rear differential
- Hill descent control and hill start assist<sup>8</sup>
- Nissan Navigation System with 147 mm (5.8") colour touch-screen monitor
- Rockford Fosgate<sup>®</sup>-powered audio system
- RearView Monitor<sup>9</sup>
- Nine high-performance speakers, including 8" subwoofer
- White-faced gauges
- Leather-appointed seating with heated front seats

<sup>1</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. <sup>2</sup>TPMS is not a substitute for regular tire pressure checks. <sup>3</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>4</sup>Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. <sup>5</sup>XM<sup>®</sup> and SiriusXM<sup>®</sup> Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. NavTraffic<sup>®</sup>/ SiriusXM<sup>®</sup> Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal, Quebec City, Hamilton, St. Catharines, Kitchener, Guelph, and London). Subscription sold separately after trial period. All subscriptions subject to customer agreement at [siriusxm.ca/terms](http://siriusxm.ca/terms). All fees and programming subject to change. © 2015 Sirius XM Canada Inc. The Sirius<sup>®</sup>, XM<sup>®</sup>, and SiriusXM<sup>®</sup> names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. <sup>6</sup>Excludes tubular step rails. <sup>7</sup>Limited time availability. <sup>8</sup>Automatic transmission models only. <sup>9</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. BFGoodrich<sup>®</sup> is a registered trademark of Goodrich Corporation. ## GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3 year/60,000 km Accessories limited warranty; and can be financed when installed by dealer at time of purchase.<sup>3</sup>

### A. Hood Protector

Keeps bugs and dirt from driving you buggy.

### B. All-season Floor Mats

You've seen the bottom of your shoes.

### C. Body Side Mouldings and Step Rails

Step right up to convenience and protection. Sold separately. (Mouldings are standard on PRO-4X®)

### D. Hatch Tent

It's your Xterra®! It's your campsite! It's both!

### Additional Accessories:

- Tow Hitch Receiver, Class III<sup>4</sup>
- Carpeted Cargo Mat<sup>5</sup>
- Cargo Organizer<sup>5</sup>
- Retractable Cargo Cover<sup>5</sup>
- Auto-dimming Rearview Mirror with Compass
- PRO-4X® Carpeted Floor Mats
- Side-window Deflectors
- And More

See your Nissan dealer for details, or go to [accessories.nissan.ca](http://accessories.nissan.ca)

## BUYING AND OWNING

**Finance Options** Through Nissan Canada Finance, we offer many attractive lease and purchase options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program or the New Canadian Program designed just for you. Please visit our website [Nissan.ca/finance](http://Nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2015 Nissan is covered by a 3 year/60,000 km<sup>6</sup> Comprehensive New Vehicle Warranty, a 5 year/100,000 km<sup>6</sup> Powertrain Warranty, an 8 year/130,000 km<sup>6</sup> Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

**Security+Plus™ Prepaid Maintenance Plan** The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

<sup>3</sup>See your Nissan Dealership and read the actual limited warranty. <sup>4</sup>See Nissan Towing Guide and Owner's Manual for proper use. <sup>5</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>6</sup>Whichever occurs first.

## DIMENSIONS/CAPACITIES/WEIGHTS/FUEL

Dimensions – mm (inches)	
<b>Exterior</b>	
Wheelbase	2700 (106.3)
Overall length	4539 (178.7)
Overall width	1849 (72.8)
Overall height (with roof rack)	1902 (74.9)
Track width	1570 (61.8)

Vehicle clearance	S	PRO-4X®
Ground clearance	231 mm (9.1")	241 mm (9.5")
Angle of approach	32.0°	33.2°
Angle of departure	28.8°	29.4°
Break-over angle	24.6°	23.8°

Interior (front/rear)	
Head room	1013/998 (39.9/39.3)
Leg room	1077/874 (42.4/34.4)
Hip room	1420/1171 (55.9/46.1)
Shoulder room	1481/1481 (58.3/58.3)

Capacities	
Seating capacity	5
Interior passenger volume – L (cu. ft.)	2832 (100)
Cargo capacity – L (cu. ft.)	
— All seats in user positions	991 (35)
— Second row folded flat	1869 (66)
Fuel tank – L (Imp. gal.)	80 (17.6)
Towing capacity <sup>3</sup> – kg (lbs)	2268 (5000)

Base Curb Weights – kg (lbs)		
	S	PRO-4X®
Manual transmission	–	2009 (4428)
Automatic transmission	1990 (4387)	2010 (4431)

2015 Fuel Consumption Estimates – L/100 km (MPG)	
<b>City/Hwy</b>	
Automatic transmission	16.0/12.0 (18/24)
Manual transmission	16.0/12.3 (18/23)

Actual mileage may vary with driving conditions – use for comparison only. IMPORTANT: Starting with 2015 model year vehicles, the Government of Canada has mandated new fuel economy test methods to better approximate typical driving conditions and styles. These new 5-cycle test methods are more representative of a vehicle's on road fuel consumption compared to the previous 2-cycle testing methodology, and can produce fuel consumption ratings that are up to 20 percent higher than the previous ratings. Fuel Economy estimates for the Nissan 2015 model year vehicles may seem less favourable compared to previous years and some competing vehicles that have not yet reported based on new testing criteria. 2015 vehicles do not consume more fuel than the comparable 2014 vehicle under the same driving conditions. For more information, please visit [nissan.ca/fuel2015](http://nissan.ca/fuel2015)

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF®. Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing through energy-efficient practices in our plants around the world.
