Lexus Genuine Accessories

Block Heater

\$237.00*

Custom designed for your Lexus providing 400 watts of heating power. Provides easy cold weather starts reducing engine wear. Provides faster interior warm-up. Includes a 'strain relief' electrical cord.

Bodyside Moulding

\$302.00*

Stray shopping carts take note. Sleek and amazingly durable, Lexus side mouldings feature a high-quality body-color finish and are rigorously tested for impact and chip resistance in extreme climates. They are also designed to resist peeling in high-pressure washing and normal environmental exposure. By protecting the door from scratches, dents and chipping, this premium accessory helps retain the vehicles resale value.

Cargo Liner

\$134.70*

This custom-designed Cargo Liner was created specifically to help protect the rear cargo area of your vehicle from dirt, debris, and liquid spills. The Cargo Liner is made of a TPR (Thermo Plastic Rubber) which facilitates loading and unloading. It is also flexible and light so it can be easily lifted for access to storage panels beneath, if applicable.

Paint Protection Film

\$507.00*

Genuine Lexus paint protection film, designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Lexus maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before.

Backed by the Lexus 4-year/80,000 km New Vehicle Limited Warranty.

Rear Spoiler

\$446.00*

You might like the Lexus spoiler because of its sporty look, which complements the lines of your vehicle's body and is color-keyed to your vehicle. Or because it redirects the air flowing over the roof, using the wind's force to help keep the rear window free of rain, snow, dust and road grime. Whether you're intrigued by its form, function or both, the sturdy polyurethane spoiler makes a beautiful as well as practical addition to your Lexus.

Remote Engine Starter

\$599.00*

When outside temperatures dip as low as -30C, enjoy the luxury of having your vehicle ready and waiting with a comfortable vehicle interior temperature. The Remote Engine Starter enables you to start your engine up to 24 meters away (80 feet), activating preset air conditioner, heater, and defogger functions (range can be affected by the surrounding environment), creating an ideal cabin temperature when it's time to head down the road.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.
