
Running Boards Now Available
2016- RX/RXh

Only $1,110.00 + HST Installed

Step up in style. Beautifully crafted to complement the design of your vehicle, these lightweight running boards help you gain easy and safe access to your RX cabin and roof rack. Featuring a corrosion-resistant design, the running boards are built with a reinforced composite structure for strength and durability. An anti-slip surface provides added grip and stability for driver and passengers.
