## Exterior Accessories

### Paint Protection Film

\$585.00\*

Genuine Lexus paint protection film, designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Lexus maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before.

Backed by a 7 year limited warranty. At participating dealers only.

### Rear Bumper Appliqué

\$115.00\*

Load and unload with peace of mind. The rear bumper appliqué helps keep the top surface of your Lexus looking like new. Designed and cut for an exact fit to the vehicle's rear bumper. Made from a durable, UV-resistant, non-yellowing 8-mil clear polyurethane protection film that meets Lexus' rigid engineering standards, the appliqué helps protect the rear bumper from minor scratches, gouges and marring. Stain-, chemical- and fuel-resistant, the rear bumper appliqué is finished with an integrated, pearl-coated Lexus logo that enhances the vehicle's appearance.

### Rear Bumper Protector

\$224.00\*

This simple, durable bumper protector helps guard against scrapes, dings and scratches. The protector features an injection-molded base topped with a corrosion-resistant stainless-steel plate. Rising from the matte finish of the plate is an embossed, polished Lexus logo.

## Lexus Genuine Accessories

### Block Heater

\$240.00\*

Custom designed for your Lexus providing 400 watts of heating power. Provides easy cold weather starts reducing engine wear. Provides faster interior warm-up.

Includes a 'strain relief' electrical cord.

### Cargo Liner

\$185.00\*

The Cargo Liner provides full protection to the rear cargo area, even when the rear seats are folded down. Featuring an innovative split design, the Cargo Liner provides maximum protection for your cargo area, as well as the back of the rear seats. It also features an anti-slip surface to keep your valuables stable, as well as a raised perimeter lip that helps keep spills limited to the Cargo Liner area.

### Cargo Net

\$69.00\*

The cargo net is designed to help contain and organize everyday items to help ensure they don't shift around or tip over in transit. This unique net features two pouches made from a carbon fibre-like material that are perfect for stowing smaller items. The durable, stain-resistant, elastic-mesh netting attaches to custom-designed hooks and standard D-rings in the rear cargo area. The cargo net can be installed or detached in seconds, and folds flat to be out of the way when not in use.

## Illuminated Door Sill Protectors

\$350.00\*

Illuminated door sills add a distinguishing element to the vehicle's interior. Injection-molded plastic with a heavy-gauge etched stainless steel overlay helps add protection from scuffs, scrapes and scratches that occur with daily use. Designed to fit the specific contours of the vehicle, front door sills feature a hybrid blue glowing LED illumination of the Lexus name whenever the driver or passenger doors are opened. Rear sills feature an injection-molded base with a stamped stainless steel overlay and polished, debossed Lexus logo. Door sill enhancements are designed to meet Lexus high standards for precision fit and finish for long-lasting beauty and durability.

## Lexus Genuine FSPORT Accessories

### FSPORT Lowering Springs

\$945.00\*

FSPORT Lowering Springs offer a more aggressive stance and a lower center of gravity. Installing these springs front and rear sets the vehicle approximately 1-inch closer to the ground. Performance benefits include quicker turn-in and improved steering response and cornering ability. Rigorously tested and engineered, these springs work with either the stock shock absorbers, or the FSPORT Sport Shock Absorber Set. A durable FSPORT blue powder-coat finish provides superior corrosion resistance.

### FSPORT Sway Bars

\$800.00\*

FSPORT Sway Bar Kit lets drivers take corners with a flatter stance. Designed for greater control with the existing steering and suspension systems, the durable, high-quality Sway Bar Kit includes chrome moly steel tubing in front, bent to match the natural movement of the CT beam axle, and a high-strength steel bar in the rear. The kit helps improve agility and responsiveness during turn-in and slalom type maneuvers, without adding weight. The striking FSPORT blue powder-coat finish resists corrosion and helps protect against road damage. Higher durometer replacement rubber bushings (included) deflect less at the mount.

### FSPORT 17" Alloy Wheel - Gray (Tires not included)

\$1,603.00\*

These 17-inch, trident 5-spoke alloy wheels provide an aggressive design upgrade from the vehicle's factory stock. Featuring a gunmetal gray finish, these wheels add a sport-racing element to the vehicle's character. The lightweight aluminum alloy construction and ultra-strong, hub-centric design afford superior balance, providing less vibration and a smoother ride than lug-centric wheels. Manufactured to meet Lexus's rigorous engineering specifications for quality, strength and reliability, these alloy wheels are corrosion resistant and extremely durable.

Price displayed includes a set of four wheels with tire installation. Tires sold separately.
