Body Side Moulding

\$300.00*

Sleek and amazingly durable, Lexus body side mouldings feature a high-quality body-color finish and are rigorously tested for impact and chip resistance in extreme climates. They are also designed to resist peeling in high-pressure washing and normal environmental exposure. By protecting the door from scratches, dents and chipping, this premium accessory helps retain the vehicle's resale value.

Paint Protection Film

\$585.00*

Genuine Lexus paint protection film, designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Lexus maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before.

Backed by a 7 year limited warranty. At participating dealers only.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.
