

2017 NX 300h

April 10, 2017

Exterior Accessories

Block Heater
\$471.00*

Custom designed for your Lexus providing 400 watts of heating power. Provides easy cold weather starts reducing engine wear. Provides faster interior warm-up. Includes a 'strain relief' electrical cord.

Body Side Moulding
\$230.00*

Sleek and amazingly durable, Lexus body side mouldings feature a high-quality body-color finish and are rigorously tested for impact and chip resistance in extreme climates. They are also designed to resist peeling in high-pressure washing and normal environmental exposure. By protecting the door from scratches, dents and chipping, this premium accessory helps retain the vehicles resale value.

Cross Bars
\$414.00*

Sleek and aerodynamic, the Lexus Genuine Cross Bars is a necessity for owners on the move. Designed to enhance the versatility and convenience of your Lexus, these lightweight yet high-strength finished aluminum cross bars complement the body's styling of the NXh. The cross bars are easily adjustable when cargo-carrying needs change. They are both corrosion and fade-resistant, and load-rated for carrying almost any size load up to 176 lb (80 kg)* when evenly distributed across both bars. Only available on selected NXh models, check with your Dealer for applicability. *Roof rack capacity is limited. See Owner's Manual for details.

Hood Deflector
\$195.00*

Enhance the appearance of your vehicle with this high-strength impact resistant tinted acrylic hood deflector. It's designed for a quality fit and matches the contour of your hood. Aerodynamically designed to deflect airflow over the hood of your vehicle. It helps reduce hood paint chipping from road debris and keeps leading edge of your hood free from insects. Easy to install featuring a 'no-drill' attachment system.

Paint Protection Film
\$585.00*

Genuine Lexus paint protection film, designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Lexus maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before. Backed by a 7 year limited warranty. At participating dealers only.

Side Step Boards
\$1,050.00*

These Lexus Side Steps are crafted from anodised aluminium to add some serious style to your NX. Complete with an anti-slip surface for added safety, Lexus Side Steps not only look fantastic but give you that extra convenience when simply getting in and out of your vehicle.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.

Side Window Deflectors
\$470.00*

The Genuine Lexus Side Window Deflectors are aerodynamically shaped to minimize wind noise and buffering when driving with open windows. The deflectors are designed to integrate flawlessly with your Lexus, while maintaining its sleek look. Breathe in the fresh air without having to worry about wind, rain or the cold Canadian snow.

START+ Remote Engine Starter
\$1,079.95*

Enjoy the luxury of having your Lexus ready and waiting with a comfortable vehicle interior temperature, no matter what the weather is outside. Lexus START+ Long Range Remote Engine Starter enables you to start your Lexus from 800 meters or 2,600 feet away (range can be affected by the surrounding environment). That's the equivalent distance of running two laps around an Olympic-sized track! Lexus START+ also activates your pre-set heating and air conditioning system. It can even turn on your front and rear defoggers. All before you head out the road.

* The Lexus START+ is designed for vehicles with automatic transmission only and might not be available for all vehicles. The range can be affected by the surrounding environment. Not all features are applicable to all models. Please consult your Dealer for more details. Laws in some communities may restrict the use of Remote Engine Starters, please check your local regulations.

Towing Hitch (2" Receiver), Hitch Plug, and Wire Harness
\$1,280.00*

This Towing Hitch System is specifically manufactured for the NXh, and has been engineered to obtain the vehicle's safest maximum tow rating. Every hitch is thoroughly tested to meet Lexus' stringent requirements. The hitch mounts behind the rear bumper to fit the aerodynamic underbody covers and ensure the vehicle ground clearance is not reduced.

For best results, use with Genuine Lexus ball mount and trailer ball (all sold separately). Please consult your Lexus Owner's Manual before towing.

Towing Hitch Ball Platform
\$140.00*

Hitches and Accessories have been designed specifically for your vehicle. Please consult your Lexus Dealer for vehicle specific information.
* Notes: Trailer Ball sold separately.

Trailer Hitch Ball 1 7/8"
\$49.99*

Hitches and Accessories have been designed specifically for your vehicle. Please consult your Lexus Dealer for vehicle specific information.
* Notes: Trailer Ball Platform sold separately.

Trailer Hitch Ball 2"
\$32.00*

Hitches and Accessories have been designed specifically for your vehicle. Please consult your Lexus Dealer for vehicle specific information.
* Notes: Trailer Ball Platform sold separately.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.

Lexus Genuine Accessories

Illuminated Door Sill Protectors \$495.00*

Heighten the thrill of stepping into your Lexus with illuminated door sills for the driver and front passenger doors. Precision-contoured to fit the vehicle, the sills feature brushed heavy-gauge stainless steel to help protect against unsightly scuffs, scrapes and scratches. The front door sills feature LED illumination of the Lexus name in glowing white for gas models or hybrid blue for hybrid models whenever the front doors are opened. These illuminated door sill enhancements are designed to meet Lexus' high standards for precision fit and finish, so you can be assured of long-lasting beauty and durability.

Seatback Cargo Liner \$185.00*

The Cargo Liner provides full protection to the rear cargo area, even when the rear seats are folded down. Featuring an innovative split design, the Cargo Liner provides maximum protection for your cargo area, as well as the back of the rear seats. It also features an anti-slip surface to keep your valuables stable, as well as a raised perimeter lip that helps keep spills limited to the Cargo Liner area.

Lexus Genuine *FSPORT* Accessories

FSPORT 19" Alloy Wheel \$2,680.00*

Add a bold directional look to your NX with these *FSPORT* 19" six-spoke performance wheels. The styled centre spokes extend to the wheel lip edge, producing a much larger looking wheel. This forged alloy is lightweight and strong to help maintain fuel efficiency, ride comfort, and enhance handling. Mounted on low profile tires, each wheel is 1.8 kg lighter than the OE 18" wheel, further enhancing road feel and handling. An *FSPORT* logo center cap completes the look. The wheels are dynamically tested to meet all Lexus performance standards. Compatible with the Tire Pressure Monitor System and chassis safety systems.

Price displayed includes a set of four wheels with tire installation. Tires sold separately.

* Default pricing includes installation and is estimated for the Province detected or selected. When you select a Dealership, accessory pricing is updated to reflect suggested retail price plus installation at the Dealership-specific labour rate.
